PATRIOT PASTOR SPEAKS-

A featured speaker, Pastor Garrett Lear, will be speaking in various places in Illinois Oct. 22-26 about the Christian influence on Colonial American history. Pastor Lear is from New England and is known as the "Patriot Pastor" because of his extensive knowledge of colonial American history. We hope many from area communities and churches will attend one of these timely presentations.

Pastor Garrett Lear is a native of New Hampshire and speaks around the country about the Christian foundations of the United States Constitution. He asserts that all the rights guaranteed in our constitution were first preached from Colonial American pulpits and will be quoting excerpts from these early American sermons. He dresses in colonial costume and argues eloquently that we remember our Christian heritage as a nation. **Learn more about Pastor Lear on the web: www.thepatriotpastor.org.**
