Every child in America should be acquainted with the Bill of Rights and our Constitution!

Do you know your rights and responsibilities?

Do you know that the most important "position" in government is not The President?

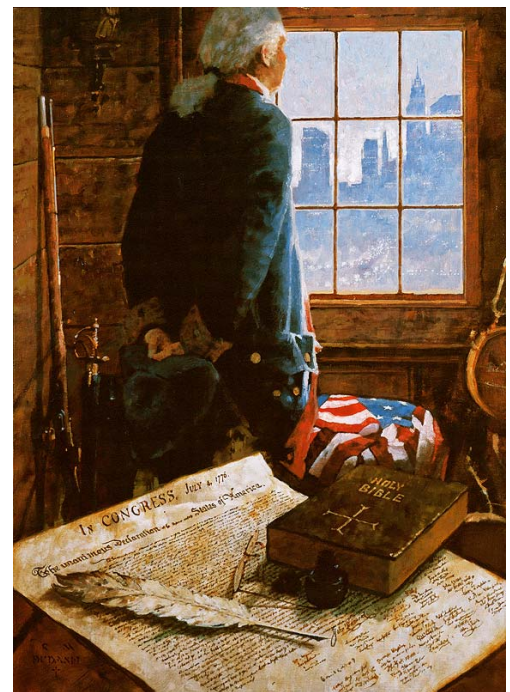

It is The Citizens (We The People).

▶ The Patriot Pastor is coming to Melissa, Texas!

Garrett Lear, a native New Englander born in 1948, is affectionately known across the nation as “**The Patriot Pastor**” because of his expertise and extensive knowledge and documentation of the founding of America, his deep abiding love for the original intent of The Founding Fathers and his understanding of The New Testament Church. He has 388 years of ancestry in New England America and is a member of The National Society Sons of The American Revolution. He has been in ministry since 1974 with the last 28 years fulltime with ministry in all 50 states, Canada and Eastern Europe. Although, he has an imposing stature at 6’7”, it is very obvious that he loves Jesus Christ with all his heart, mind and strength while he teaches others to do the same.

Garrett and Annette, his wife of 28 years, who is a Hawaiian, founded The Well of Living Water Christian Ministries based on John 4 in 1980 in Hana, Maui, Hawaii after a lengthy time of fasting and prayer. They have 4 natural children, numerous foster children, 1 grandchild and many spiritual sons and daughters in The Lord.

They home educated their children and encouraged others to do the same. Pastor Lear has often spoken at the NH legislature in favor of legislation favorable to home schoolers. He has openly challenged Christians all over America to withdraw their children from the government schools. He has been one of the most active pro-life, pro family, pro traditional marriage, original intent smaller government clergyman in New Hampshire and America.
